Following the easing of the lockdown on public transport by the President, Manafwa District Service Commission has lifted the suspension of receipt of applications in regard to its Job Advert in the New Vision Newspaper of 1st April, 2020.

The revised closing date for receipt of applications is three weeks from the date of this notice.

Because Manafwa has been categorized as a border District during the COVID-19 Pandemic, applicants are encouraged to explore other appropriate means of submission including post office services in addition to hand deliveries.
